

Park Facilities

Guest Services:

Located opposite the Grand National, the team is happy to help if you have any questions or queries during your visit.

Accessible Toilets:

We have accessible toilets in the following locations:

- Balmoral Car Park
- Tickets & Information Area
- Superloos opposite Alice in Wonderland
- Superloos opposite the Big Pizza Kitchen
- Nickelodeon Land

Adult & Child Changing Facilities:

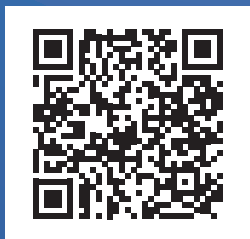

Changing facilities can be found in Nickelodeon Land behind SpongeBob's Splash Bash, to the left of the Nick Shop. Radar key access is required, however, for those guests without a Radar key, a toilet attendant can be called by pressing the button outside the changing room. The changing facilities include a fully adapted adult restroom, adult changing bed, hoist (guests should please use their own harness) and an emergency assistance alarm.

Learning & Sensory Space:

Bradley and Bella's Learning Garden, situated underneath the Avalanche, is a magical area where children and families can explore, learn about plants and flowers and take some time to relax during the day.

Sensory Backpacks :

Sensory backpacks are available from Guest Services. These are branded Pleasure Beach backpacks which contain noise cancelling ear defenders and communication cards. Sensory backpacks can be hired for a fully refundable deposit of £20.00 or if you'd like yours to keep, they can be bought for £30.00.

For more information, please scan the QR code to visit the Accessibility page of our website.

Sensory Effects

Some rides and attractions feature strobe lighting, flashing lights, loud audio, fog and smoke effects. Please speak to the rides staff or Guest Services should you require specific sensory information.

*Ride Access Route Key

- 1 Ride Entrance
- 2 Ride Exit
- 3 Access Entrance

**ICON

Rider's heads must not be above the headrest. A minimum height of 150cm applies to the train's back row - excluding ENS0. Riders must be able to continuously hold on tight with at least one functional arm. Guests with leg amputations have to have both natural legs at least until the ankles in order to ride ICON. Any prosthetics lower than the ankle must be removed to ride.

*** INFUSION

Infusion has a maximum rider height line of 200cm
